EZWIND CORD ORGANIZER

INDUSTRIAL GRADE CORD STORAGE SYSTEM

Patented organizer holds up to a 100' - 16 gauge electrical extension cord.

Cord ends store neatly in "End-Clip" slots for quick, tangle free access.

EZWIND can accommodate two different length cords.

Mix & match cord lengths:
- *one 100' -16 gauge cord*
- *two 50' - 16 gauge cords*
- *one 50' - 16 gauge cord & one 25' - 14 gauge cord (as shown below).*

Rugged heavy-duty plastic construction withstands daily use.

Non-slip comfort grips provide better control when winding cords.

Organizes; electrical cords, lighting strings, steel cable, TV coaxial cable, computer CAT-5 cable, phone wire, rope, small plastic tubing, and more!

A must for service vehicles, workshops & job sites.

P/N: T7600

ELIMINATE CORD TANGLES WITH EZWIND™

"Messy Tangled Cords"

"EZWound Cords"

Patented design accommodates two separate cords. Snap-in "End Clip" slots provide quick, tangle-free access to electrical cord ends.
